4-6 @ The Valley

Ways To Give

The Valley Wish List

The Valley is quickly becoming a reality! As construction continues, we're excited to add the final touches that will make the inside feel like home. If you're looking for a way to support this project, we invite you to consider purchasing an item from our wish list. Every gift helps create a welcoming space for those who will walk through our doors.

Give Online

Prefer to give directly?

You can also make a financial gift online to support our youth group. Every donation helps us continue investing in the lives of our students and the ministry of The Valley. Thank you for partnering with us to make a lasting impact!

Join our snacks team!

Want to serve in a simple but meaningful way?

Join our Snack Team! Providing snacks is a practical way to help create a welcoming environment for our students each week. Sign up to bring snacks once or on a recurring basis—every treat helps make our youth group feel like home.

Join the “Feed the Flock” group in planning center for more details!
