Ways To Give

The Valley Wish List

The Valley is officially open! While we're excited to have the doors open, we're still working on little projects and making improvements each week to help make The Valley feel like home.

If you'd like to help us continue creating a welcoming space for our students and community, we invite you to consider purchasing an item from our wishlist. Thank you for being part of this journey with us!

Give Online

Prefer to give directly?

You can also make a financial gift online to support our youth group. Every donation helps us continue investing in the lives of our students and the ministry of The Valley. Thank you for partnering with us to make a lasting impact!

Join our snacks team!

Want to serve in a simple but meaningful way?

Join our Snack Team! Providing snacks is a practical way to help create a welcoming environment for our students each week. Sign up to bring snacks once or on a recurring basis—every treat helps make our youth group feel like home.

Join the "Feed the Flock" group in church center for more details!
